

Liquid Soap Almond

**FAIR
SQUARED**

The natural and fair alternative to cleanse your hands based on olive oil refined with almond oil. The antioxidant properties of olive oil are known to prevent skin ageing. Olive oil is rich in natural vitamins, minerals, essential fatty acids and antioxidants, which can rejuvenate the skin thanks to its anti-ageing properties. Almond oil rounds off the purely plant-based formulation; thanks to its fatty acids, vitamins and minerals, it counteracts skin ageing and has a positive effect on the appearance of the skin.
