

Recycling Collection Bag

The fairly produced recycling collection bag made from upcycled rice sacks has four compartments. This means that recyclable materials such as paper, green, white and brown glass can be easily separated and directly to the recycling container. It has two sturdy carrying handles and is tear-resistant thanks to reinforced cross-stitching. A colourful eye-catcher in any home. Also suitable as a shopping bag, garden bag, beach bag or toy bag.

- Upcycling product
- Durable from rice sacks
- Reusable and easy to fold
- Extremely rice-resistant
- No removal of microplastics
- produced in a fair trade project by women in Sri Lanka (WFTO-certified)
- Each collection bag is unique
- Languages on the packaging: DE-EN-FR
