

Hair band

FAIR
SQUARED

Cheerful upcycling design for the hair – the FAIR SQUARED hair band. It tames any mane and adds a pop of colour to the hair. Vintage saris are used to make them, giving them a second life as colourful hair accessories. How nice – they spread joy, even if they have not been allowed to fulfil their original function for a long time! Each hairband is unique. Due to the wide variety of colours of the different saris, we offer the hair bands as a surprise product, i.e. there is no possibility to choose a colour in advance.
